Your wedding can be more than just a special day, it can be a wonderful experience for you and your guests including golf, spacious lodging, and an amazing wedding.

### A Special Location

When you start with a beautiful spacious environment, it's always a great setting for a wonderful special event. This great heathland golf course, [Bandon Crossings](#), is that kind of setting. Located just five miles south of the quaint town of Bandon-by-the-Sea on the beautiful Oregon Coast, it is a wonderful location.

## A Wonderful Space

The Cypress Room event center has been designed specifically to offer a comfortable and spacious environment to enjoy friends, family and guests.

The event space includes a 2000 square foot room with rustic open beam ceilings. One wall opens to the beautiful outdoor setting of the golf course and wetlands. Your event can expand outside to take advantage of the lovely setting and moderate weather, or remain comfortably inside if the weather is less than inviting. The Cypress Room can seat 90 people at tables for a reception, with plenty of room for a dance floor.

Large glass doors allow for great views if the weather is a little chilly and also open to the beautiful outdoors to expand the wedding space.

The ceremony can be held inside, or out on the spacious lawn with views overlooking the golf course.

## A Great Place to Stay

There is a large guest house on premises, [A Home on the Range](#), which sleeps up to 16 people, and is the perfect accompaniment to the event center. It has plenty of room for a bride to dress and the wedding party or out of town guests to congregate and stay overnight both before and after. It can also be used for a small rehearsal dinner, up to 25 people.

**A two night stay is included in the wedding package**, and the stay can be extended for additional nights before or after, schedule permitting.

The house has 6 bedrooms, 4 full and 2 half bathrooms, and lots of space to enjoy family and friends.

Additional players can be added, and with 12 players the staff will supply KP and Long Drive competitions. It was [lauded as a Hidden Gem by Links Magazine](#) and [the Portland Oregonian said you should play here!](#) In 2021 [Golf Magazine](#) put in the Top 100 Courses in the US under \$150.
