

Weddings at *A Home on the Range*

The Guest House at Bandon Crossings Golf Course

From a small intimate wedding indoors, all the way to a large outdoor wedding, *A Home on the Range* is a great venue with the charm of the house and the expansive grounds and beauty of the golf course right outside.

Outdoor weddings can be done al fresco, or supplemented with large tents to ensure against unexpected weather. We will help you arrange with a rental agency to provide chairs, tables, and tents if needed. Since we are about a mile inland, the weather is usually milder and less windy than right on the ocean.

The guest house has plenty of room for the bride to dress and the wedding party to congregate and stay overnight both before and after. Since a wedding requires extra time to setup and then cleanup afterwards, the house needs to be reserved the night before and the night of the wedding (2 night minimum). This will ensure you plenty of time without disruption by other guests, and give your wedding party a great place to rest, complete preparations and enjoy the party.

There are several excellent caterers in town who can utilize the large guesthouse kitchen as a base to serve whatever food you may wish.

Tables and chairs may be rented from the golf course, and all wedding rentals are available in nearby Coos Bay/North Bend.

Another nice addition may be a pre-wedding golf outing (at least a day or two before the wedding) for anyone associated with the wedding. It would be offered special group rates and prizes, making it a memorable event.

Wedding venue charges are

based on the season and the number of overnight guests. Accurate calendars and charges can be determined on the [Bandon Vistas website](#), with a small wedding surcharge of \$150 additional.

This can be both a memorable locale, and a great value for a wedding venue, since two nights lodging is included in the price:

Basic wedding venue charge, including 2 nights lodging for up to 10 people, is under \$1100.

Deposit of \$500 required at booking and the balance is due 15 days prior to the stay.

This will give you and your agents full access to the house from 4 pm on the first day, until 11 am on the last day. Additional time for outside pickup may be allowed until 2 pm, with prior arrangements. Additional nights can be added for convenience, a golf event, or out of town guests.

I am happy to assist in any way possible, and do whatever I can to help ensure a wonderful day and a memorable start to your married life.
